Given that, Obamacare, or the Affordable Health care Act is a federal law. And Plaintiff pro se, is herein this Summons and Complaint, alleging violations and Medical Malpractice, or Negligence, and fraud, regarding, said law. *More paramount still, He is asking this Court, to decide and answer the Question. Of whether or not, pursuant to, the United States Constitution, a Quality Doctor and Quality Health Care service providers, as it pertains to, the delivery of American Medical Health Care, and/or, Obamacare, or the Affordable Health care Act, is an American Citizens Right Of Birth?

(1). Plaintiff pro se, alleges that it is an American Citizens Right Of Birth,

(Malpractice, or Negligence Fraud in Obamacare con't.).

“Bayette Ba Ba Nkosi.” (Translation from Zulu to English-Hail my father and chief, or, the Zulu royal saute).

(2). Pursuant to, the U.S. Const. pmbll.. “We the People of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common defense, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for United States of America.”

(3). Hence, Plaintiff pro se, Maurice Rhoades, Zulu, establishes the United States District Court For The Northern District Of Ohio’s original jurisdiction.

(4). Whereas, on or about December 20, 2017, at Defendants’ et al., Dr. Daniel Zalevsky, PA-C Metro Health Hospitals, 10 Severance Circle Drive Metro Health, Orthopaedics, Cleveland, Hts., Ohio office, at or about 3:15 p.m..

(6). On or about December 20, 2017, at Defendants’ et al., Dr. Daniel Zalevsky, PA-C Metro Health Hospitals, 10 Severance Circle Drive Metro Health, Orthopaedics, Cleveland, Hts, Ohio 44118, office, at or about 3: 15 p. m..

(8). Defendants’ et al., Dr. Daniel Zalevsky, negligently, recklessly, and condescendingly, acted and behaved towards Plaintiff pro se, Maurice Rhoades, Zulu. Defendants’ et al., Dr. Daniel Zalevsky, would not listen, as well as, he hears. (Mike and the Mechanics The Living years).

(9). Whereby, Defendants’ et al., Dr. Daniel Zalevsky, Negligently did not and would not consider Care Sources’ wishes, or, his patient’s, or, Plaintiff pro se, suggestions and wishes.

(10). Plaintiff pro se, alleges that Defendants’ et al., Dr. Daniel Zalevsky Negligently did not do what a doctor is supposed to do. He did not ask a patient “ Where does it hurt.” “And how can I provide the best Health Care Treatment that will help heal you”?

(Malpractice, or Negligence Fraud in Obamacare con't.).

(11). Plaintiff pro se, alleges that he did not get the guaranteed Quality service of a Doctor, and/or, a Medical Health Care service provider. (13). Plus, Plaintiff pro se, is incurring out of pocket medical expenses for Epsom salt, ice, and heat, or, Ben Gay.

(14). (15). Whereby, Plaintiff pro se, proves and demonstrates to the court. The fact that, Defendants' et al., Dr. Daniel Zalevsky, did Negligently, recklessly, and condescendingly, act and behave towards Plaintiff pro se, Maurice Rhoades, Zulu, or, his patient. *He acted like a witch doctor.

(16). By reason of the fact, that it is text book and standard operating procedure, regarding, patient care, for a doctor to listen to a patient and consider what he says, and to respect it. Because, this is co-operation, concerning, a Doctor and patient, as it pertains to, a good relationship, and/or, a proper and professional delivery of Obamacare, and/or, the Affordable Health Act medical treatment and services concerning a patient.

(17). On or about December 20, 2017, at Defendants' et al., Dr. Daniel Zalevsky, PA-C Metro Health Hospitals 10 Severance Circle Drive Metro Health, Orthopaedics, Cleveland, Hts, Ohio 44118, office, at or about 3: 15 p. m..

(18). Defendants' et al., Dr. Daniel Zalevsky, Negligently, fraudulently, and recklessly, fabricated, "that Plaintiff pro se, agreed with him," concerning, his autocratic Written Health Care Treatment Plan for Plaintiff pro se,.

(19). Which, Defendants' et al., Dr. Daniel Zalevsky, fraudulently and Negligently made up, after Plaintiff pro se, had left the afore stated appointment.

(Malpractice, or Negligence Fraud in Obamacare con't.).

(20). More still, without Plaintiff pro se, consent, input, or, knowledge.

(21). Defendants' et al., Dr. Daniel Zalevsky, then mailed his above said plan to Plaintiff pro se, by regular U. S. mail.

(22). Plaintiff pro se, alleges that on, or, about, November, 2017. *He consulted with Care Source's Medical Management Team of Dayton, Ohio, by telephone conference.

(23). Whereby, he was counseled and instructed by Care Source's Medical Management Team of Dayton, Ohio, to have a doctor write on His and/or Her hospital stationary Plaintiff pro se, Medical Health Care Plan and then submit it to said team at 1-888-752- 0012, for them to consider.

(24). Given all of these afore stated facts, Plaintiff pro se, demonstrates and proves to the court Medical Malpractice, or, Negligence and Fraud in Obamacare, and/or, in the Affordable Health care Act, by Defendants' et al., Dr. Daniel Zalevsky and Defendants' et al., Metro Health Hospitals.

(25). *Further, Plaintiff pro se, demonstrates and proves to the court. The fact that, Defendants' et al., Dr. Daniel Zalevsky, and Defendants' et al., Metro Health Hospitals, " just went through the motions." And did not care about Plaintiff pro se., medical health. Thus, Plaintiff pro se, makes apparent a failure to train and/or supervise by Defendants' Dr. Akram Boutros President and Metro Health, Hospitals et al.,.

(26). *Also, that said Defendants' et al., Negligently did and still do put billing above patient care.

(27). Further more, on or about December 20, 2017, at Defendants' et al., Dr. Daniel Zalevsky, PA-C Metro Health Hospitals office, at 10 Severance Circle Drive Metro Health, Cleveland, Hts., Ohio 44118, at or about 3: 15 p.m..

(29). Whereby, Plaintiff pro se, exhibits and proves to the court, Medical Malpractice, or, Negligence, and Fraud, in Obamacare, and/or, the Affordable Health care Act, by Defendants' et al., Dr. Daniel Zalevsky, and Defendants' et al., Metro Health Hospitals.

(30). By reason of the fact, that Defendants' et al., Metro Health Hospitals' physical

(Malpractice, or Negligence Fraud in Obamacare con't.).

therapy and evaluation will get at least three hundred dollars (\$300.00), per hour and/or per visit. Regarding, Plaintiff pro se, left wrist arthritis.

(31). Still, at least three hundred dollars (\$300.00), per hour and/or per visit. Regarding, Plaintiff pro se, left hand arthritis.

(32). Plus, at least three hundred dollars (\$300.00), per hour and/or per visit. Regarding, Plaintiff pro se, right hand arthritis.

(33). Further, at least three hundred dollars (\$300.00), per hour and/or per visit. Regarding, Plaintiff pro se, left knee arthritis.

(34). Finally, Defendants' et al., Metro Health Hospitals' physical therapy and evaluation, will get at least three hundred dollars (\$300.00), per hour and/or per visit. *For 52 weeks a year, for the rest of Plaintiff pro se, life, for their Negligent, Fraudulent, and fake Medical Health Care Treatment of Plaintiff pro se,.

(35). More still, Plaintiff pro se, shows and proves to the court, Medical Malpractice, or, Negligence, and Fraud, in Obamacare, and/ or, in the Affordable Health care Act, by Defendants' et al., Dr. Daniel Zalevsky, and Defendants' et al., Metro Health Hospitals, by reason of the fact that, said Defendants' et al., physical therapy and evaluation is only open Monday thru Friday from 9: 00 a. m., until 5:00 p.m..

(36). So, Plaintiff pro se, is adversely limited, in regards, to getting the physical therapy, or, Medical Health Care Treatment and services that he needs.

(37). Additionally, Defendants' et al., Dr. Daniel Zalevsky, and Defendants' et al., Metro Health Hospitals' physical therapist would only give Plaintiff pro se, an hour ,or, two at best a day for Plaintiff pro se, left wrist arthritis.

(38). Further, only an hour, or, two at best a day for Plaintiff pro se, left hand arthritis.

(39). Plus, only an hour, or, two at best a day for Plaintiff pro se, right hand arthritis.

(40). Finally, only an hour, or, two at best a day for Plaintiff pro se, left knee arthritis.

(41). Thus, Defendants' et al., Dr. Daniel Zalevsky, and Defendants' et al., Metro Health Hospitals' physical therapist is not practical, and/or, logical, and/or, cost effective, and/or, time cost effective, thus, it is a waste of tax payers monies. *This is not good medicine.

(42). Whereby, Plaintiff pro se, proves and exhibits Medical Malpractice, or, Negligence,

(Malpractice, or Negligence Fraud in Obamacare con't.).

and Fraud, in Obamacare, and/or, in the Affordable Health care Act. By Defendants' et al., Dr. Daniel Zalevsky, and Defendants' et al., Metro Health Hospitals. Hence, Plaintiff pro se, makes apparent a failure to train and/or supervise by Defendants' Dr. Akram Boutros President and Metro Health, Hospitals et al.,.

(43). Since, their Medical Health Care Treatment Plan would be Negligence, fake, and not be Healing Treatment and/or, the proper diagnosis, prescription, and prognosis, for Plaintiff pro se, personal situation.

(44). Conversely, Plaintiff pro se, Medical Health Care Treatment Plan would treat his left wrist arthritis pain. Additionally, his left hand arthritis pain. Plus, his right hand arthritis pain. Finally, his left knee arthritis pain. *All in one sauna bath session.

(45). Further, Plaintiff pro se, contends that Defendants' et al., Dr. Daniel Zalevsky, and Defendants' et al., Metro Health Hospitals, Negligently did not diagnose, and prescribe a Health Care Treatment Plan for his atrophy. *With the free weights, and/or Nautilus machines, or, universal machines, and swimming pool exercises.

(46). Plaintiff pro se, alleges that he did propose all of the above said. In his personal Health Care Treatment Plan.

(47). Because, this would be realistic, practical, logical, cost effective, and time cost effective. *Whereby, saving Ohio Medicaid millions of dollars. Given, that Plaintiff pro se, has to do his Health Care Treatment Plan for the rest of his life.

(48). Given, all of the herein stated facts. Plaintiff pro se, has proven and demonstrated to the court. Medical Malpractice, or Negligence, and Fraud in Obamacare, and/or, in the Affordable Health care Act, by Defendants' et al., Dr. Daniel Zalevsky, and Defendants' et al., Metro Health Hospitals.

(49). Finally, Plaintiff pro se, makes apparent a failure to train and/or supervise by Defendants' Dr. Akram Boutros President and Metro Health, Hospitals et al.,.

(50). Still, said Defendants' et al., do not have a sauna bath. Or, the extreme heat that Plaintiff pro se, needs. In order, to treat his arthritis and relive his pain.

(51). Nor do said Defendants' et al., have the free weights, or Nautilus machines, and/or, Universal machines, and/or Swimming pool exercises, that Plaintiff pro se, needs. In order, to address and treat his atrophy. Concerning, his left wrist, left hand, left arm, right hand, and left knee arthritis.

(Malpractice, or Negligence Fraud in Obamacare con't.).

(52). Given all of this, Plaintiff pro se, proves and exhibits Medical Malpractice, or Negligence, and Fraud in Obamacare, and/or, in the Affordable Health care Act. By Defendants' et al., Dr. Daniel Zalevsky, and Defendants' et al., Metro Health Hospitals.

(53). Plaintiff pro se, left knee arthritis is more than thirty-years old. As his x-rays do

(54). Plaintiff pro se, left knee arthritis is more than thirty-years old. As his x-rays do expertly testify to this said fact.

(55). Further, Plaintiff pro se, alleges that said x-rays do dictate to Defendants' et al., Dr. Daniel Zalevsky, and Defendants' et al., Metro Health Hospitals. What is needed and what they must do, as it pertains to, Plaintiff pro se, Medical Health Care Treatment.

(56). As proven by reason of the fact. That, Care sources' Medical Management Team requested said x-rays for there evaluation and consideration of Plaintiff pro se, personal and individual case. Thus, Plaintiff pro se, makes apparent a failure to train and/or supervise by Defendants' Dr. Akram Boutros President and Metro Health, Hospitals et al.,.

(57). *Plaintiff pro se, has been successfully treating; and doing his Total lateral Meniscectomy rehabilitation for more than thirty-years.

(58). On or about December 20, 2017, at Defendants' et al., Dr. Daniel Zalevsky, PA-C Metro Health Hospitals, 10 Severance Circle Drive Metro Health, Orthopaedics, Cleveland, Hts, Ohio 44118, office. At or about 3: 15 p. m..

(59). Defendants' et al., Dr. Daniel Zalevsky, Negligently, willfully, wantonly, recklessly, and fraudulently diagnosed and prescribed Motrin aspirin, " as needed for Plaintiff pro se, arthritis pain."

(60). Plaintiff pro se, proves Defendants' et al., Dr. Daniel Zalevsky's Negligence. By reason of the fact. That, his prescribed Motrin aspirin is an acid. That would eat and erode Plaintiff pro se, stomach lining over a period of time and prolonged use.

(61). Since, Plaintiff pro se, would be taking the prescribed Motrin aspirin at least two, or, more times daily; seven days a week. He demonstrates and proves to the Court. The fact that, *this is not safe, realistic, or, practical, or, logical. And would give Plaintiff pro se, a new Medical Heath Care problem and condition. * Whereby, costing Medicaid more monies.

(62). Plaintiff pro se, likens Defendants' et al., Dr. Daniel Zalevsky, and Defendants' et al., Health Hospitals' choice of cortezone shots; as their primary and only method.

(Malpractice, or Negligence Fraud in Obamacare con't.).

(63). Of which, they use for treating Plaintiff pro se, left wrist, left hand, right hand, and left knee arthritis pain. To patients and doctors being hooked on Opioids; and the current Opioids crisis.

(64). * Given that, he would be dependant on Defendants' et al., Dr. Daniel Zalevsky, and Defendants' et al., Metro Health Hospitals forever. And would never heal or address the Medical Health condition.

(65). Whereby, Plaintiff pro se, shows and proves to the court. The fact that his Alternative Method of treating his left wrist, left hand, right hand, and left knee arthritis pain, and atrophy. *Is the right Medical diagnosis, prescription, prognosis, and Medical Health Care Treatment Plan.

(66). Whereby, Plaintiff pr o se, exhibits and proves to the court. The fact that, Defendants' et al., Dr. Daniel Zalevsky, and Defendants' et al., Metro Health Hospitals are guilty of Medical Malpractice, or, Negligence and Fraud, pursuant to, Obamacare, and/or the Affordable Health care Act.

(67). * Plaintiff pro se, alleges that the proper medical treatment, diagnosis, prescription, and prognosis. Or, way to treat his left wrist, left hand, right hand, and left knee arthritis. Is with heat, ice, and exercise. Or, his proposed Medical Health Care Treatment Plan.

(68). *Plaintiff pro se, alleges that his x-rays of his left wrist. Do dictate the diagnosis, prescription, prognosis, and Medical Health Care Treatment Plan, for his left wrist, left arm, and left hand, arthritis and atrophy.

(69). Plaintiff pro se, alleges that he needs a sauna bath. In order, to treat and relieve his pain from his left wrist, left hand, right hand, and left knee arthritis. *As medical history expertly testifies to said fact.

(70). Plaintiff pro se, alleges that he needs a swimming pool. In order, to treat his left wrist, left hand, right hand, and left knee arthritis and atrophy. * As medical history expertly testifies to said fact. * Because, a swimming pool, is not taxing on Plaintiff pro se, joints. Whereby, making said one of the best exercises for Plaintiff pro se..

(71). Defendants' et al., Dr. Daniel Zalevsky, and Defendants' et al., Metro Health Hospitals' Negligent, reckless, and fraudulent acts and behavior. Have made Plaintiff pro se, more susceptible to falls and being off balance. Thus, injuring said in the past, in the present, and in the future.

(72). As a result, of said Defendants' et al., Negligence. Plaintiff pro se, is more

(Malpractice, or Negligence Fraud in Obamacare con't.).

(73). As a result, of said Defendants' et al., Negligence. Plaintiff pro se, is more physically injured; suffered more physical and mental pain, and incurred more medical expenses. Finally, his future is being sacrificed. And his pursuit of happiness is being impaired and sacrificed.

(74). Thus, Plaintiff pro se, makes apparent a failure to train and/or supervise by Defendants' Dr. Akram Boutros President and Metro Health, Hospitals et al..

(75). Plaintiff pro se, alleges that Defendants' et al., Dr. Akram Boutros, President and CEO of Metro Health, 2500 Metro Health Drive Cleveland, Ohio 44109-1998, is responsible by Law, and has failed to train and/or supervise, Defendants' et al., Dr. Daniel Zalevsky.

(76). Therefore, Plaintiff pro se, demands judgment against Defendants' et al., Dr. Daniel Zalevsky, in the sum of One-Hundred Thousand Dollars (\$ 100, 000. 00).

(77). Plus, Defendants' et al., Metro Health Hospital, and Defendants et al., Dr. Akram Boutros, President and CEO of Metro Health Hospital, in the sum of One-Hundred Thousand Dollars (\$ 100, 000. 00).

Plaintiff pro se, is physically injured. And is in pain; both, physically and mentally.
